CURIOSITY

Stay Curious,
but Focused

ASK, & ASK for HELP

As a young Professional
know that its ok to ask
questions and ask for
help.
its the only way to learn

PERSONAL BRANDING

Build your internal Brand

What do you want to be
known for in your
organization

PROGRESS > PERFECTION

Data Drives decisions
Data halts Decisions

Know your numbers but
don't get into analysis
paralysis

AGILITY & RESPONSIVENESS

The Customer is evolving
Innovation is required

“The strength of the supply chain is based on each individual link. Each link determines the overall strength of the supply chain. SCM is about teamwork, collaboration and making the overall system as effective as possible.”

~Dave Waters
